

Studio Waiting List/Addendum 2009-2010

Conditions of Studio Waiting List/Addendum

- 1. University Housing Services maintains a studio waiting list for current residents only.
2. The waiting list offers the studios available in the apartment building.
3. There are additional rent charges: Licensee will be expected to adhere to and remain current with one of the pre-established payment plan options in the Annual Student Housing License Agreement Booklet.
4. Studios will be offered during the Returning Resident process at the beginning of each academic year. Apartments that become available after the process will be offered from the waiting list on a first come, first offered basis.
5. Some studios are located on theme housing floors. In order to be offered this apartment, you must either be eligible to live on that floor, or agree to the terms and conditions of living on that floor.
6. You will remain on this waiting list for one academic year. After that time, if you have not been offered and accepted an apartment, your name will be deleted.
7. UHS will not allow you to decline an offer of a studio and then stay at the top of the waiting list. If you decline an apartment, you will be moved to the end of the waiting list.
8. If you are no longer a resident on campus, your name will automatically be dropped from the waiting list. (In order for an offer to be made during the summer, you must have contracted and made the initial payment for the upcoming academic year).
9. UHS reserves the right to supersede this waiting list for administrative needs.

Note: This studio waiting list is for the current academic year only and legally obligates the Licensee to full payment for the original License plus the studio upgrade. Licensee and University agree to adhere to the terms and condition set forth in this studio addendum in addition to the Annual Student Housing License Agreement, Parts I-V.
