

SPARTAN SURVIVAL PACKAGE

When responding to survey questions, many college students cite lack of equipment as one reason they may not cook for themselves while away at school. **Keystone Restaurant Supply** of San Jose has teamed up with the **Healthy Campus** initiative to address that concern, and in turn, the **“Spartan Survival Package”** has been designed. Intended for college students living in residence halls or apartments, the **“Spartan Survival Package”** provides all the basic cooking tools and equipment students might need to prepare meals and snacks for themselves in their own kitchen.
